To all our wonderful players, coaches, officials, spectators, and staff:

On behalf of NIRSA, the NIRSA Services Corporation Board, and the NIRSA Championship Series Committee, I'm excited to welcome you to the 2023 NIRSA National Flag football Championships! We are thrilled to going to Oklahoma State University and look forward to engaging in this competition which inspires incredible performances from so many committed individuals!

Over the years, the NIRSA Championship Series National Flag football Tournament has become synonymous with high-level competition and the development of young professionals through hands-on engagement. This tournament wouldn't exist if it weren't for the commitment and excitement of staff, officials, and NIRSA Championship Series volunteers. All of them are dedicated to creating an experience that allows individuals and teams to enjoy great competition and make lifelong memories. Take a minute to thank those who have worked tirelessly to plan and execute this tournament.

As you explore Stillwater and enjoy the competition, don't forget this tournament is a great opportunity to represent your home institution while you compete with elite athletes from all across the continent. During your time here you'll be surrounded by others who share a commitment to making this tournament the very best it can be.

We are grateful for your leadership and willingness to collaborate to create a positive experience for everyone involved in the national championship tournament. Embrace the friendly competitive spirit that we've all come to appreciate, and know you'll be forming lasting memories, supporting inclusive recreation, and advancing your personal health and wellbeing—and that's what NIRSA is all about.

I hope you enjoy your time both on and off the field in Round Rock!

Sincerely,

Jill Krantz
President, NIRSA Services Corporation
