To all our wonderful players, coaches, officials, spectators, and staff:

On behalf of NIRSA, the NIRSA Services Corporation Board, and the NIRSA Championship Series Committee, I am thrilled to welcome you all to the NIRSA National Soccer Championships taking place in Round Rock, Texas! I want to sincerely thank all of you for joining us with your passion for inclusive recreation, fair play, and enthusiastic competition. Your commitment to these values means that for the first time, four Unified Sports teams will participate in the tournament this year. We're so excited to have Unified athletes and their playing partners at the 2019 NIRSA National Soccer Tournament!

Over the years, the Series' National Soccer Championships has gained renown for its high-level national competition and for being committed to developing young professionals through hands-on engagement. Our incredible officials and tournament staff enrich the tournament experience for all participants. For the first time this year, we're affording students the opportunity to serve as officials in our Unified Division so that they can help develop their skills on the pitch and in training clinics with the best NIRSA has to offer. We're excited to have student officials taking to the fields this year in addition to their participation in officials training clinics.

As you explore Round Rock and enjoy all the excitement of the competition, don't forget this tournament is a great opportunity to represent your home institution while you compete with elite athletes from all across the continent. Enjoy the national tournament experience where you'll be surrounded by others who share a commitment to making this tournament the very best it can be.

Please make sure to take some time during the tournament to recognize the infectious enthusiasm of the staff, officials, and NIRSA Championship Series volunteers. Every single one of them is committed to transforming lives and inspiring the development of healthy, diverse, and sustainable communities worldwide. The dedication of our committee members and of our fantastic participants are the key to achieving these aspirations.

We are so grateful for your leadership and willingness to collaborate to create a positive experience for everyone involved in the national championship tournament. Embrace the friendly competitive spirit that we've all come to appreciate, and know you'll be forming life-long memories, supporting inclusive recreation, and advancing your personal health and wellbeing—and that's what NIRSA is all about.

I hope you enjoy your time on and off the field at Round Rock!

Sincerely,

Stephanie McAlpine

The Special Olympics and NIRSA: Leaders in Collegiate Recreation partnership is dedicated to promoting social inclusion through shared sports training and competition experiences. Special Olympics Unified Sports® joins people with and without intellectual disabilities on the same team.

It is inspired by a simple principle: training together and playing together is a quick path to friendship and understanding. At the college level, it focuses on building relationships between college students - with and without intellectual disabilities - and local Special Olympics athletes of similar age. Currently there are 300 North American colleges and universities engaged with Special Olympics and nearly half are competing in Special Olympics Unified Sports through their recreation department.

This will be the first year that there will be a Unified Division at the NIRSA National Soccer Championships. Along with the basketball and flag football, Special Olympics Unified Sports competitions take place within three of the four NIRSA Championship Series sports.
