# POOL PLAY TIE BREAKING RULES FOR CHAMPIONSHIP DIVISIONS

Teams will be awarded points on the following basis:

- Three (3) points for each Win
- One (1) point for each Tie
- Zero (0) points for each Loss

In the event of a tie in points at the end of pool play, the teams to advance will be determined as follows:

1. The winner in head to head competition
2. High goal differential (goals scored minus goals allowed)  
<Maximum of 5 points from any one match>
3. Most goals for
4. Fewest goals against
5. Most total wins
6. Most shutouts

In a tie breaking scenario involving more than 2 teams, once one team is identified as different and both remaining teams are tied, the tie breaker procedure is restarted to identify the remaining order.

If a tie still exists after steps 1 through 6, the following procedure will be used for NCAA kicks from the mark.

- In a two-way tie, NCAA kicks from the mark will be taken thirty (30) minutes prior to the scheduled start of the next match.
- In a three-way tie, a three-way coin flip will be conducted. The two teams that tie in the coin flip will compete in NCAA kicks from the mark to eliminate one team prior to proceeding to NCAA kicks from the mark with the third team. The coin flip and time of the kicks will be determined at the fields.

# POOL PLAY TIE BREAKING & BRACKET PLACEMENT RULES FOR OPEN DIVISIONS

The winner from each pool and two Wild Card teams will advance. A maximum of two teams per pool will advance, even if point totals indicate otherwise. The procedures for awarding points and breaking ties will be the same as used in the Championship Divisions.

Position in the bracket will not be determined until the completion of pool play and Wild Card teams are identified.

- The eight team bracket will be numbered top to bottom 1-8.
- The top ranked Wild Card team will be placed in Position 4 and the second ranked Wild Card team will be placed in position 8.
- Once Wild Card teams are placed, the winner from the same pool of the Wild Card team in Position 4 will be placed in Position 5; the winner of the same pool as the Wild Card team in Position 8 will be placed in Position 1.
- Position 2, 3, 6, 7 will be filled by pool winners that did not have Wild Card teams.
  - Team 1 will be placed in Position 3
  - Team 2 will be placed in Position 7
  - Team 3 will be placed in Position 2
  - and Team 4 will be placed in Position 6.
- Should there be a tie for placement in the bracket after all tie breaking procedures, a coin toss will be conducted to determine position.

In the event of a four-way tie within a pool, a drawing of lots will be conducted to determine which teams will advance to the bracket.

- Teams will draw either an A or B.
- Teams drawing A will compete in NCAA kicks from the mark to eliminate one team.
- Teams drawing B will compete in NCAA kicks from the mark to eliminate one team.
- The winners of A and B will then compete in NCAA kicks from the mark to determine final placement in the pool. The drawing and time of the kicks will be determined at the fields.

A representative of the teams from the Open Division should remain at the results area until the bracket is completed.
